

Humanities

Formal Curriculum - Priesthorpe - Geography

All year groups at Priesthorpe access three geography lessons per fortnight. At key stage 3, students explore the development of geography through time, celebrate our diverse world and investigate the fragility of the earth and the need for conservation and stewardship. Students are taught within the partnership class and access a differentiated version of the mainstream curriculum. At key stage 4, students have the option to pursue a GCSE qualification in mainstream geography, however the majority of West SILC learners continue to work within the partnership class towards achieving an Entry Level Certificate. The Entry Level involves assessment, fieldwork and a personal project.

Formal Curriculum - Priesthorpe - History

All year groups at Priesthorpe access three history lessons per fortnight. At key stage 3, students study our country's history and its connections to the rest of the globe, spanning from Stone Age Britain to the post-war world. Learners are encouraged to develop interpretation skills and analyse sources of information in order to become independent thinkers and make sense of the world around them. Students are taught within the partnership class and access a differentiated version of the mainstream curriculum. At key stage 4, students have the option to pursue a GCSE qualification in mainstream history, however the majority of West SILC learners continue to work within the partnership class towards achieving an Entry Level Certificate.

Formal Curriculum - Priesthorpe - Religious Education

Key stage 3 learners have two lessons of RE per fortnight, while key stage 4 learners have one lesson per fortnight. At key stage 3, West SILC students are taught within mainstream classes where the learning is differentiated to meet their needs. At key stage 4, core RE is taught within the partnership class, however learners continue to follow a differentiated version of the mainstream curriculum. There is also the option for students to study this subject at GCSE level. Students learn about a range of religions, differing world views and debate moral issues.
