

## Formal Curriculum - Priesthorpe - Science

Pupils have a minimum of 5 Science lessons per fortnight. From Year 7, all students have access to labs and specialist equipment allowing them the opportunity to conduct experiments and engage with demonstrations and dissections. Science lessons cover Physics, Chemistry and Biology.

In KS4, students have the opportunity to complete an Entry Level in Science and where appropriate, some students will access double award GCSE. Based on options choices, there is also the potential for pupils to access an Entry Level in Practical Horticulture Skills. Throughout Key Stages 3 and 4, students contribute to the maintenance of the school garden, growing and selling vegetables, planting and producing Christmas wreaths.
